

Care Home Celebration Day 2019

Wednesday 17 July 2019

Scottish Care is organising the first Care Home Celebration Day in Scotland, following 2 annual Care Home Week events.

This is largely an online, awareness raising week aimed at busting myths about and celebrating care homes in Scotland, the role they play in communities and telling the good news stories about those who live in, work in or engage with them.

THEMES

Activity & Wellbeing

Workforce

Technology

PEOLC

Reform & Resourcing

GET INVOLVED!

We're looking for care home services and sector partners to help us celebrate on 17 July through a range of blogs, images, quotes and resources.
